

Oscar & Bentleys' Plant-Based Menu

Welcome

At Oscar & Bentleys we love food;
we know you do too!

Head Chef, Mark Kennett and his team use fresh,
locally-sourced food
that's full of flavor and colour to
develop our vegan dishes;
so you'll be spoilt for choice.

As always, if you have any food allergies
please let us know. We have become established
as a haven for those with allergies;
we have won national awards
for both our food quality and the processes that go
on behind the scenes to
ensure our food is safe and delicious.
We apply those same standards to
producing our vegan food.

We know you take your vegan lifestyle seriously –
we want to assure you that
we do too!

Enjoy
